# IPS122/IPT122

## 2 Inch Stainless Steel Indicating Pressure Switches/Transmitters

The Brooks Instrument IPS & IPT122 2 Inch stainless steel Pressure Switches/Transmitters provide a high purity, precision pressure gauge and electronic switch/indicator, with the switches having an adjustable pressure switch setpoint. The IPS122 is a compact unit that has the ability to operate lights or relays up to a maximum of 12 watts. The IPT is accurate within 1% of full scale, and can provide 0-5 Vdc, 1-5 Vdc, or 4-20 mA outputs with pressure ranges up to 4000 psi.

- Compact unit for easy installation into new or existing gas systems
- Local or remote indication of switch interlock/system pressure against undesirable process pressure conditions to ensure process accuracy and protect product yields
- High purity for use in all application environments

### Features

#### IPT122

- Solid-state design with 1 to 5 Vdc, 0 to 5 Vdc or 4 to 20 mA outputs
- Universal output configuration available
- Local and remote pressure monitoring
- Interfaces with automatic purge systems, PLCs or data acquisition systems

#### IPS122

- Local and remote alarm capability
- Local indication of pressure reading and switch position (normally open or normally closed)
- Solid-state design for hazardous environments
- Switches welded in oxygen-free chambers to meet rigid cleanliness and safety guidelines
- 1 year warranty

### Applications

Gas delivery systems and tools used for semiconductor processing, including:

- Bulk gas
- Gas cabinets

\* All figure intervals and smallest interval depicted in this chart represent typical artwork layout and may not be accurate for all gauges.

Note: All ranges are in Hg and/or psi. If a scale other than Hg or psi is required, convert the pressure range code to the customer-specified units and use that in the product description code when specifying the product. For dual range specify the range code for the first engineering unit (ex. For a dual range with units of KGC/IKPA the range should be specified in KGC).
